

TOWN OF OREGON PARK COMMITTEE

Monday, June 11, 2018 @ 6:30 pm

Present: Steve Root, Robert Johnson, Al Miller, Jeff Nelson and Linda Jackson

The minutes from the previous meeting were approved as written.

The ladies asking for the paved path at Kennedy Park were not in attendance. Steve will follow up with them via email. The ladies live in the Town of Rutland and it was suggested that they ask Rutland to contribute towards a paved path. Steve will have estimates at a later meeting.

Linda reported that the butterfly garden was planted at the Town Park. Bob has been taking care of the watering.

Steve was contacted about putting in a basketball court at Hillcrest Park and then it would be used as an ice rink in winter. Steve asked for the resident to put together a cost estimate. This will be discussed at a later meeting. Steve will ask the town crew to dump pea gravel at the park.

The summer mowing is going well at the town parks.

The impact fee was tabled at the town board meeting, but will be added to the next board agenda. Steve clarified that the impact fee is paid by owner creating the buildable lot.

Linda would like to wait for additional mulch at the butterfly garden.

Next park committee meeting is July 9, 2018.

Jeff moved, seconded by Johnson to adjourn the meeting. Motion carried 5-0.

Respectfully submitted,

Jennifer Hanson
